

## CRC Tuesday Morning Walking Schedule: April to June 2026

\*\* This schedule is posted on the CRC website where links to parking lot locations have been added. Where possible the park name and parking lot addresses have been pulled from websites. As some meeting spots didn't have Google addresses; we've included directions below. If lost, call one of our cells. Come join us for a walk. **It's always a 10:00 a.m. start** (1 1/2 to 2 hrs) and sometimes coffee/lunch.

**The Cenovus Tuesday Hiking Group Committee uses 'WhatsApp' for information and updates on our walks. This provides quick contact to keep walkers in the loop - especially pertaining to CANCELLATION the morning of a walk; (usually weather conditions). There's no "sign up" no emails cancelling a walk. Join our WhatsApp group even if you only join us periodically. To join WhatsApp contact Ian Gordon at 403-889-9156. If you're lost trying to find the parking lot for our walk or wonder if a walk is going you may use WhatsApp. Reasons for cancellation include inclement weather including colder than -10C or snow in winter and rain, or brisk winds in summer. If the air quality index is 7 or above we will also cancel due to health concerns. Cell numbers of committee members are Ian Gordon at 403-889-9156 and Jerine Cropper at 403-973-6404.**
